The teachers of Dare To Dance Studio work extremely hard to create a positive and enjoyable dance environment for all students. It is expected that all students are respectful to others, their environment and themselves. Parents or caregivers will be contacted if any inappropriate or unacceptable behaviour is displayed by students.

At Dare To Dance, parents and caregivers are not permitted to sit in on any classes and we appreciate your cooperation with this.

Students parents or caregivers are responsible for collecting their child from outside the studio rooms at the end of their class. For the safety of our students, it is recommended that students do not wait to be picked up at the centres carpark.

If your child is not able to attend a class, it is preferred that you send through a text message to Theresa on 0424 535 326.

All staff members of Dare To Dance have been trained in first aid take the safety of our students very seriously. It is not expected or encouraged that any student performs any movements or tricks that are not within their skill level or that they do not feel comfortable doing. While our dance teachers take every precaution possible to create a safe dance space, there is a degree of risk involved with each class. In the event of student injury or sickness, you will be advised via preferred contact number.

Dare To Dance will hold an end of year concert in 2026 where family and friends are invited to come and watch our students perform. This is a fantastic opportunity for our students to showcase all that they have learnt throughout the year, but this is not compulsory for any student. If your child will be participating in our end of year concert, this will include extra costs that are not included with your term fees. These include but are not limited to costumes, extra rehearsals, make up, hair accessories and dancing shoes.
